

**Proposed Rule Amendment from the Executive Council of Physical Therapy and Occupational Therapy Examiners - §651.1. Occupational Therapy Board Fees and §651.2. Physical Therapy Board Fees.**

---

**Summary of Amendment:** The amendments would increase the renewal fees for licensees and facilities by \$5. The new funds will be classified as appropriated receipts. The funds would be earmarked for instituting a program to mass email documents to licensees, facilities, and interested stakeholders, that in the past they could only obtain by visiting the agency web site. Typical items emailed to licensees would include quarterly board newsletters, license renewal notices, practice act and rule changes, and similar items of interest to the regulated population.
